ACCESS TO PROCEEDINGS (NON-DELEGATES)

Access to the aforementioned portal can also be ordered by non-delegates. The conference registration form or the online order form can be used for this purpose.

EXHIBITION

There will be limited exhibition possibilities (free-standing pop-up stands & table top exhibits) in the foyers on the ground floor & on first floor of the conference building.

RPAS 2017 is an international conference focusing on RPAS operational matters, current & future applications, policy & regulatory matters, current bottlenecks, technical & performance requirements, system & sub-system developments, aerial work customer requirements, novel operations, and operational experience & lessons learned.

The conference objective is, within the context of ICAO's RPAS work, the Riga & Warsaw Declarations, the RPAS content in the EC's "Aviation Strategy", EASA's recently published NPA, SESAR's RPAS Outlook Study, EUROCONTROL's recent RPAS ATM CONOPS and JARUS' role, to broaden the awareness & understanding of the RPAS community & its future customers.

FOOD & BEVERAGES

Each morning & afternoon will have a refreshment break (included in the conference fee). Lunch (not included in the conference fee) will be served in the Royal Military Academy's (RMA) cafeteria. The 1st day will be concluded by a conference cocktail with cash bar in the mess of the RMA. The refreshment breaks, lunches & cocktails offer exceptional networking opportunities.

SPONSORSHIP OPPORTUNITIES

There are various sponsorship opportunities. For pricing information contact Peter van Blyenburgh at UVS International.

Remotely Piloted Aircraft Systems

13 & 14 June 2017 - Brussels, Belgium

SPONSORSHIP OPPORTUNITIES

Sponsorship of the RPAS 2017 conference permits to be directly identified with this technically informative international conference. The event is organized for the international RPAS community, in response to the requirement expressed by UVS International members for an event where current & future governmental non-military & commercial civil RPAS operators, RPAS manufacturers, pilot training companies, R&D organizations, insurers, academia, as well as current & potential customers can interface with each other, as well as with regulatory authorities and traditional aerial work suppliers.

Within the framework of UVS International's Global Access Initiative, and in co-ordination with the European Parliament, European Commission, European RPAS Roadmap Implementation Coordination Group, International Civil Aviation Organization (ICAO), European Aviation Safety Agency (EASA), European Space Agency (ESA), Eurocontrol, European Civil Aviation Conference (ECAC), various standards organizations, JARUS, SESAR JU, various national CAAs & ministries of defence, various EC-financed consortia, as well as with the International RPAS Coordination Council (national associations), this is Europe's only conference dedicated to civil RPAS policy, regulatory & related innovation issues.
