SPONSORSHIP OPPORTUNITIES

Sponsorship of the RPAS 2017 conference permits to be directly identified with this technically informative international conference. The event is organized for the international RPAS community, in response to the requirement expressed by UVS International members for an event where current & future governmental non-military & commercial civil RPAS operators, RPAS manufacturers, pilot training companies, R&D organizations, insurers, academia, as well as current & potential customers can interface with each other, as well as with regulatory authorities and traditional aerial work suppliers.

Within the framework of UVS International's Global Access Initiative, and in co-ordination with the European Parliament, European Commission, European RPAS Roadmap Implementation Coordination Group, International Civil Aviation Organization (ICAO), European Aviation Safety Agency (EASA), European Space Agency (ESA), Eurocontrol, European Civil Aviation Conference (ECAC), various standards organizations, JARUS, SESAR JU, various national CAAs & ministries of defence, various EC-financed consortia, as well as with the International RPAS Coordination Council (national associations), this is Europe's only conference dedicated to civil RPAS policy, regulatory & related innovation issues.
