European VAT Number: FR38420126344
EC Participant Identification Code (PIC) 957288442
Bankers: BESV - Groupe Novo Banco
45 avenue Georges Mandel, FR-75116 Paris, France
International Bank Identifier Code: BESVFRPPXXX
International Bank Account Number: IBAN FR76 4365 9100 0000 0182 8400 176

Principal Activities

UVS International

- Contractual management & day-to-day running of UVS International, an association registered in The Netherlands, federating companies, national & multi-national associations, and organisations involved with unmanned systems (air, ground, naval) and representing over 4700 countries.
- Instigation, creation & administration of www.uvs-international.org
- Representation of this non-profit association in various committees, organisations and working groups on national, European and international level.
- Management of study contracts awarded by national & European organisations to UVS International as prime contractor (with its members as sub-contractors), thus permitting multiple voices to be heard by the contract awarding entity.
- Organization of UVS International's annual remotely piloted aircraft systems (RPAS) conference (Europe's largest & world's principal event dealing with RPAS regulatory & policy matters).
- Organization of UVS International's annual General Assembly.
- More than 200 speaking engagements at relevant international events in 27 countries on 5 continents on behalf of UVS International (see Annex 1: Recent Presentations).

Publishing

Publication & distribution of the annual RPAS Yearbook (RPAS: The Global Perspective), which is recognized as the world's leading RPAS reference publication (1st edition in 2003) - Available in hardcopy & digital format (see Yearbook on www.rps-info.com)

Technology Watch

- International unmanned systems technology watch
- RPAS-related operational information collection
- RPAS-related market surveys

Surveys

- Quantitative & qualitative surveys relative to military & non-military RPAS, RPAS operators & operations
- Recently, conducted (2017-18) the world's first international survey (in 8 languages) on civil drone operations. It brought into map the current (2017/2018) & future (2019-2020) drone market sectors, as well as the types of missions flown (1004 operators from 66 countries participated) – See: www.rps-info.com/surveys

RPAS Regulation Watch

- Creation & administration of www.rpas-regulations.com. The purpose of this web site is to present the international RPAS community with a single reference point for established RPAS regulations, as well as related rules, reference & guidance documents, and terminology.
- RPAS regulation watch.

Consultancy

- Strategic RPAS-related consultancy
- RPAS regulatory-related consultancy
- RPAS-related market intelligence
- Brokerage of teaming arrangements

RPAS-Related Studies & Consortia

- Participation in consortia relative to RPAS-related study contracts (principally pertaining to regulatory matters):
 - NAVDROC – Tailoring CS23 to a RPAS-related equivalent (2000-2001) - Contract (€ 239 k) awarded by the French civil aviation authority (DGAC) to UVS International as prime contractor; B&C was the consortium coordinator & sub-contractor to UVS International.
 - UAV-REG – RPAS-related regulatory study (2008) - Contract (€ 106 k) awarded by the French Ministry of Defence (DGA).
 - Fast track report on non-military RPAS applications (2008 & 2009) - Contract (€ 5 k) awarded by the European

Defence Agency.

- Fast track report on RPAS Sensors (2009) - Contract (€ 5 k) awarded by the European Defence Agency.
- RPAS regulatory analysis study for the French National Police (2008-2010); this contract (€ 45 k) concerned the evaluation, within the framework of the existing French law, of the use of Light RPAS by the French national police in French airspace, and supplied recommendations concerning the required modifications to French law.
- Participation, as coordinator, in the non-funded UAS for Security & Environmental Purposes (USEP) study; a pan-European intergovernmental study conducted by the "Conseil général de l'armement" (French Ministry of Defence think tank) on the potential applications of RPAS for governmental security & environmental purposes (2006-2007).
- Participation in the French civil aviation authority's (DGAC) temporary advisory committee on RPAS (to contribute to its proposed rulemaking) (on behalf of UVS International) (2011-2012).
- Participation in the ULTRA Consortium study pertaining to RPAS-related airspace issues (2012-2013) - Contract (€ 597 k) awarded by European Commission.
- Non-funded survey on non-military RPAS operators & operations (2012-2013).
- Participation in DroneRules Consortium, which received a two-year co-financed contract (2015-2018; value € 1M) from the European Commission (EASME-European Agency for Small & Medium-sized Enterprises) 2015 for the production of an awareness creation web site with the objective to facilitate access to regulations for light RPAS, including RPAS-related regulatory, data protection & privacy, as well as insurance matters. See www.dronerules.eu
- Participation in SkyOpener Consortium, which received within the context of Horizon 2020 a 3 year co-financed contract (2016-2019; value € 1,8M) from the European Global Navigation Satellite Systems Agency. SkyOpener will increase the use of RPAS for civilian applications by contributing to the roadmap for the integration of civil RPAS into the European Aviation System through a total system approach that defines a mission's operational requirements derived from a risk analysis as recommended by the Riga declaration of 6 March 2015. SkyOpener will provide a complete operational process and a system that will demonstrate higher capability through CNS (Communication, Navigation & Surveillance) innovations. SkyOpener targets specific operations as described in the EASA document "Concept of operations for drones" and will develop a complete and scalable system enabling the ANSP (Air Navigation Service Provider) to manage the full process of RPAS operations, starting with a flight request generated by the RPAS operator to ensure monitoring during all phases of the RPAS flight. See www.skyopener.eu

Conferences & Events

- Organization [or co-organization in cooperation with national entities - public or private] of international RPAS-related conferences with a strong accent of regulatory matters (in co-operation and/or co-ordination with governmental authorities), under the auspices of UVS International (see Annex 2: Conferences - Recent & Upcoming).
- Organization, within the framework of a partnership agreement with SIAE (organizers of the Paris Air Show), of the UAV Awareness Forum that took place at the Paris Air Show in June 2003 and June 2005.
- Instigation & organization of the Transatlantic UAS Roundtable series of events in Washington, DC, USA (in cooperation with The European Institute, Washington, DC, USA); under the auspices of UVS International.
- Within the framework of a partnership agreement with the organizers of Eurosatory (world's largest army & homeland air-land equipment exhibition), instigation & organization of the UVS Forum at Eurosatory (2006 & 2008 & 2010), focusing attention on RPAS & UGVs (incl. dynamic demonstrations); under the auspices of UVS International.
- Organization, within the framework of a partnership agreement with Comexposium Singapore (organizers of Milipol Asia-Pacific), of the Drone Asia Conference (Singapore - 4-6 April 2016) - See www.milipolasiapacific.com.

Test Range Initiative

Instigation of the International Test Range Initiative, which had as objective to bring into perspective international test ranges that could be used for RPAS testing & validation, as well as pilot & operator training (www.testranges.org).

Global Access Initiative (GAI)

- Instigation, creation & management of the Global Access Initiative (for RPAS) for UVS International. The GAI has as objective to widen general awareness of RPAS and ongoing international RPAS-related regulatory activities, and to make information in this field accessible to all interested parties.
- Within the framework of the GAI:
 - Creation of the UCARE network and web site library, which was set up to make RPAS-related standards, certification, airworthiness, air traffic management documents & opinion papers available to the international RPAS community (now integrated into www.uvs-info.com).
 - Creation, publication and updating of various RPAS-related reference publications:
 - RPAS Civil Operations Glossary;
 - RPAS Civil Operation Categories;
 - ICAO Terms & Definitions (a compilation of all ICAO-approved terms & definitions that appear in the annexes of the Chicago Convention - In English).
 - Initiator & architect of the C-FAST proposal for a RPAS-related European thematic network.
 - Giving awareness creation presentations at universities with RPAS in their curriculae, e.g.:
 - Brandenburg TU, Germany
 - Darmstadt, Germany
 - ETH Zürich, Switzerland
 - Ecole Polytechnique Lausanne, Switzerland
 - ENAC, France
 - Joanneum University, Austria
 - TU Delft, The Netherlands
 - ULB, Belgium
 - University of Denver, USA
 - University of Stuttgart, Germany
 - Publication of the UVS News Flash, a electronic newsletter with information on unmanned systems (air, ground, naval), which was published once every two weeks for over 4 years (now replaced by UAS Vision).
 - Co-founder of UAS Vision (www.uasvision.com), a free daily electronic RPAS-related international news flash.
 - Instigation, on behalf of UVS International, of the creation of national RPAS-related associations in Belgium, Canada,

- Czech Rep., Finland, France, Germany, Italy, Japan, Netherlands, Norway, Portugal, South Korea, Spain, Sweden, UK.
- Creation & updating of www.uvs-info.com (world's largest open source RPAS library & generic information web site).
- Creation and management of the International Coordination Council (on RPAS), which brings together national RPAS-related associations and working groups.
- Drawing up of formal comments to EASA's NPA 10-2012, in coordination with a significant amount of national associations, and submitting these comments (also on behalf of the agreeing national associations).
- Participation in a RPAS-related hearing at the National Assembly, Paris, France.

Information Dissemination

Undertakes information dissemination on request of various organizations, including:

- International Civil Aviation Organization (ICAO)
- European Commission (EC) DG ECHO
- European Commission (EC) DG MOVE
- EUROCONTROL
- Joint Authorities for Rulemaking on Unmanned Systems (JARUS)
- Single European Sky ATM Research Joint Undertaking (SJU)
- European Aviation Safety Agency (EASA)
- European Commission (EC) DG GROW
- European Defence Agency (EDA)
- French Civil Aviation Authority (DGAC)
- EC-funded RPAS-related Study Consortia

EASA - European Aviation Safety Agency

- Organization of specific meetings for the European Aviation Safety Agency (EASA) to brief the RPAS community on regulatory topics:
 - A-NPA Brussels, Belgium Oct. 2005
 - RPAS Operators Brussels, Belgium Dec. 2012
- Member (on behalf of UVS International) of EASA's General Aviation Sectorial Committee.
- Member (on behalf of UVS International) of EASA's RMT.023 RPAS Expert Group.

Euro UAV ICB

Instigation, organization of & participation in, on behalf of UVS International, the European UAV Industry Consultation Body (Euro UAV ICB), which federated European RPAS industry representatives, with the intent to advance European UAS/RPAS certification and their insertion into non-segregated European airspace. This initiative is now being continued by the European Aerospace & Defence Association (ASD).

EUROCAE - European Organisation for Civil Aviation Equipment

- Instigation & contribution to the creation of the EUROCAE Working Group (WG) 73 on UAS (April 2006) (on behalf of UVS International).
- Participation in EUROCAE WG73 on UAS (standing advisor & member of leadership team) (on behalf of UVS International)
- Instigation of the Interim Working Group on Light RPAS, which federated a number of European regulatory authority & industry representatives with the objective to produce a guidance document for EUROCAE WG73 on how to tackle the creation of recommended standards for Light RPAS (<150 kg), taking into account the specificities and financial & logistical limitations of the small & medium sized companies that constitute the backbone of the small RPAS industrial community.
- Instigation & architect of a proposal for the re-organization of EUROCAE WG73 SG4 on Light UAS, its management structure, work methodology and objectives; the principals of this proposal were accepted by SG4 in March 2011. In Dec. 2011, EUROCAE decided to turn this sub-group into the independent WG93 on Light RPAS.
- Participation in WG93 on Light RPAS and member of the WG's management team (2011-2016).

European Commission

- Contribution, on request of the European Commission (EC), in the organization of the first EC hearing on Light RPAS in Brussels, Belgium (Oct. '09).
- Worldwide survey on non-military Light RPAS applications for European Commission Directorate General (DG) Mobility & Transport (MOVE) (2009-2010).
- Participation (on behalf of UVS International), on invitation of EC DG MOVE, in the organizing team responsible for organizing the EC's UAS conference (1 July 2010).
- Participation (on behalf of UVS International), on invitation of EC DG Enterprise & Industry (ENTER), in EC's UAS Panel Initiative - "Chef de file" of the Industry & Market workshop (2011-2012).
- Participation (on behalf of UVS International), on invitation of EC DG ENTER and EC DG MOVE (2012), in EC's European RPAS Steering Group (ERSG) (and contribution to the creation of the European RPAS Roadmap, which was published in June 2013).
- Participation (on behalf of UVS International), on invitation of EC DG MOVE, in EC's European RPAS Roadmap Coordination Group (Jan. 2015-now).
- Participation in the organization of the high level RPAS conference organised by the Latvian Presidency of the EU in Riga, Latvia (5 & 6 March 2015).
- Participation as speaker (on behalf of UVS International) at the high level RPAS conference organized jointly by European Aviation Safety Agency (EASA), Polish Ministry of Infrastructure & Construction, Polish Civil Aviation Authority - Warsaw, Poland (23 & 24 Nov. 2016).
- Participation as speaker (on behalf of UVS International & representing the European RPAS industry) at the EASA-CAAC RPAS Workshop, organized by EASA & Civil Aviation Authority of China within the context of the EU-China Aviation Partnership Project - Beijing, China (March 2017).
- Panelist (on behalf of UVS International) at SESAR's U-Space Workshop in The Hague, The Netherlands (April 2017)
- Contributions (organizational and/or keynotes and/or workshop lead) to RPAS-related events organized by:
 - EC Joint Research Center (The Innovative Potential of Drones from the EU Perspective - Brussels, Belgium, Oct. 2015)
 - EC (10th Annual Security & Safety Symposium - Brussels, Belgium, Nov. 2015).

- EC DG for Humanitarian Aid & Civil Protection (RPAS Workshop for Civil Protection Experts - Brussels, Belgium, Jan. 2016).
- Participation, as UVS International representative, in the European Expert Group on Drones (2017-now).
- Participation, as UVS International representative, in the European UAS Standards Coordination Group (2017-now).
- Participation as speaker (on behalf of UVS International & representing the European RPAS industry) at the EASA-CAAC RPAS Workshop, organized by EASA & Civil Aviation Authority of China within the context of the EU-China Aviation Partnership Project - Beijing, China (June 2018).

ICAO - International Civil Aviation Organization

- Participation, as UVS International representative, in the International Civil Aviation Organization (ICAO)-instigated «informal core group» which prepared a guidance document for ICAO concerning work to be undertaken relative to RPAS standards, which contributed to the creation of the formal ICAO UAS Study Group.
- Participation in the ICAO RPAS Study Group (on behalf of UVS International).
- Member of the organization committee of ICAO's Global Forum on Civil/Military Coordination (Oct '09), and organizer & chairman of the RPAS session at this event (on behalf of UVS International).
- Member of the coordination team of ICAO's international civil/military ATC coordination initiative (on behalf of UVS International). Participation in regional meetings [Lima, Peru (South America & Caribbean Region), Bangkok, Thailand (Asia/Pacific Region)] to create awareness in the field of RPAS.
- In partnership with the ICAO South American Regional Office in Lima, Peru, organizer (on behalf of UVS International) of the 1st ICAO Regional RPAS Summit in Lima, Peru (April '12).
- Member, as UVS International representative, of the organization committee of ICAO's Global RPAS Symposium in Montreal, Canada (March '15).

JARUS - Joint Authorities for Rulemaking on Unmanned Systems

- Creation (2012) and administration of www.jarus-rpas.org, the official JARUS web site, on behalf of UVS International. Since 1 November 2015, this web site is administered by the the JARUS Secretariat.
- Participation, on behalf of UVS International, in the JARUS Stakeholders Consultation Body.

Joint JAA/Eurocontrol UAS Task Force

- Instigation & organization, in collaboration with the Joint Aviation Authorities (JAA), of the Joint JAA/Eurocontrol UAS Task Force (April 2002-03).
- Participation in this working group (as Secretary), on behalf of UVS International.

NATO

- On request of the chairman of NATO Air Group 7 (now renamed JCG UAV), effected the initial groundwork and subsequent start-up of the FINAS (Flight In National Airspace) working group, which today still tackles the issues of military RPAS-related airworthiness & certification.
- Participation in NATO Industrial Advisory Group SG/75 on UAV Autonomous Operations (2008-2009).

SESAR JU - Single European Sky ATM Research Joint Undertaking

- Participation in the RPAS Outlook Study Reference Group (2015-2016).
- Instigator & coordinator of the RAVT (RPAS Autopilot Validation Tool) initiative (on behalf of UVS International), which submitted its conclusions to SESAR JU in Feb. 2016.
- Participation (on behalf of UVS International) in SESAR's U-Space Working Group (2017-now).

Research Expertise

- B&C processes the world's largest database of persons involved with RPAS [manufacturers of systems & sub-systems, RPAS operators (private & governmental), research organisations, academia, aerial work providers, regulatory authorities, national & international associations & special interest groups, and the international media (press)], and consequently is well positioned to disseminate RPAS-related information.
- B&C has the world's largest databases in the domains of:
 - RPAS-related regulatory documents;
 - RPAS brochures, data sheets and photos;

Annex 1: Speaking Engagements - Recent & Upcoming

- ICAO Forum on Civil/Military Coordination	Montreal	Canada	Oct. '09
- UNVEX'10	Madrid	Spain	Mar. '10
- AVBS 2010	Prague	Czech Rep.	Mar. '10
- UAV Show Europe	Bordeaux	France	Sept. '10
- UAS Brazil	Sao José dos Campos	Brazil	Oct. '10
- Unmanned Systems	Montreal	Canada	Nov. '10
- UAS Norway	Oslo	Norway	Nov. '10
- UVS-Tech 2011	Moscow	Russia	Mar. '11
- ICAO Civil/Military ATC Seminar	Lima	Peru	Aug. '11
- UNC 2011	Oslo	Norway	Nov. '11
- ICAUV 2012 Conference	Bangalore	India	Feb. '12
- ICAO Civil/Military ATC Seminar	Bangkok	Thailand	Feb. '12
- ICAO UAS Latin America Seminar	Lima	Peru	Apr. '12
- UVS-Tech 2012	Moscow	Russia	Oct. '12
- UNC 2012	Oslo	Norway	Nov. '12
- ATC Global	Amsterdam	The Netherlands	Mar. '13

- ASTech RPAS Symposium	Paris	France	Apr. '13
- RPAS Symposium	Graz	Austria	May '13
- European RPAS Roadmap Remittance	Paris Air Show	France	Jun. '13
- Photogrammetry Week	Stuttgart	Germany	Sept. '13
- IMAV	Toulouse	France	Sept. '13
- UAS China 2013	Beijing	China	Sept. '13
- AFCEA RPAS Symposium	Lisbon	Portugal	Oct. '13
- UVS-Tech 2013	Moscow	Russian Fed.	Oct. '13
- RPAS Latin America 2013	San José dos Campos	Brazil	Oct. '13
- UNC 2013	Oslo	Norway	Nov. '13
- EC Hearing on Liability & Insurance	Brussels	Belgium	Mar. '14
- CAPIGI 2014	Amsterdam	The Netherlands	Mar. '14
- ICUAS 2014	Orlando, Florida	USA	May '14
- UAS China 2014	Beijing	China	Sept. '14
- ATC Global 2014	Beijing	China	Sept. '14
- Drones en Rhônes-Alpes	Chambéry	France	Oct. '14
- EASA Safety Conference	Rome	Italy	Oct. '14
- EuroSDR	Leuven	Belgium	Oct. '14
- Présent & Futur des Drones Civils	Paris	France	Nov. '14
- SPAR	Amsterdam	The Netherlands	Dec. '14
- EBAA 2015	Geneva	Switzerland	May '15
- Commercial Unmanned Systems	Singapore	Singapore	Jun. '15
- UAS Development & Innovation Forum	Beijing	China	Sept. '15
- EC JRC Drone Symposium	Brussels	Belgium	Oct. '15
- EC Security Symposium	Brussels	Belgium	Nov. '15
- RPAS Inter Tech	Paris	France	Nov. '15
- CIUVS 2015	Shenzhen	China	Nov. '15
- European Parliament's RPAS Symposium	Delft	The Netherlands	Nov. '15
- EC Civil Protection RPAS Workshop	Brussels	Belgium	Jan. '16
- Marine UAS Workshop	Villcarrillo (Jaén)	Spain	Feb. '16
- Japan Drone 2016	Chiba	Japan	Mar. '16
- Luchtvaartlentebijeenkomst	Noordwijk	The Netherlands	May '16

- Global Robot Expo	Madrid	Spain	Apr. '18
- EU-China APP - UAS Experience Exchange Meeting	Beijing	China	Jun. '18

Annex 2: Conferences (Co-)Organized - Since 2008 & Upcoming

- UAS 2008 Paris, France (June '08)
10th Annual Edition - Regulatory, Policy & Innovation Forum
- UAS China 2008 Beijing, China (Sept. '08)
1st International Conference
In partnership with International Aviation Group, China (subsidiary of AVIC)
- UVS Tech 2009 Moscow, Russian Federation (Jan. '09)
2nd Conference & Exhibition
In partnership with Expo-Ecos, Russian Fed (by delegation of the Russian Min. of Transport)

- ICAUV 2009
Bangalore, India (April '09)
1st International Conference & Exhibition
In partnership with the Ministry of Defence, Defence Research & Development Organisation, Aeronautical Defence Establishment, India
- UAV M. East Summit
Abu Dhabi, UAE (April '09)
In cooperation with IQPC, UAE
- UAS 2009
Paris, France (June '09)
11th Annual Edition - Regulatory, Policy & Innovation Forum
- UAS 2010
Paris, France (June '10)
12th Annual Edition - Regulatory, Policy & Innovation Forum
- UVS-Tech 2010
Moscow, Russian Federation (Jul. '10)
3rd Annual Conference & Exhibition
In partnership with Expo-Ecos, Russian Fed. (by delegation of the Russian Min. of Transport)
- UVS-Tech 2011
Moscow, Russian Federation (Mar. '11)
4th Annual Conference & Exhibition
In partnership with Expo-Ecos, Russian Fed. (by delegation of the Russian Min. of Transport)
- UAS 2011
Paris, France (June '11)
13th Annual Edition - Regulatory, Policy & Innovation Forum
- UAS Latin America
San José dos Campos, Brazil (Oct. '11)
1st Biennial Conference & Exhibition
In partnership with DCA-BR, Brazil
- ICAUV 2012
Bangalore, India (Feb. '12)
2nd International Conference & Exhibition
In partnership with the Ministry of Defence, Defence Research & Development Organisation, Aeronautical Defence Establishment, India
- Regional UAS Summit
Lima, Peru (April '12)
1st ICAO Regional RPAS Summit
In partnership with ICAO Regional Office, Lima, Peru
- RPAS 2012
Paris, France (June '12)
14th Annual Edition - Regulatory, Policy & Innovation Forum
- UVS-Tech 2012
Moscow, Russian Federation (Oct. '12)
5th Annual Conference & Exhibition
In partnership with Expo-Ecos, Russian Fed (by delegation of the Russian Min. of Transport)
- RPAS CivOps 2012
Brussels, Belgium (Dec. '12)
1st Annual European RPAS Operators' & Operations Forum
In partnership with the Belgian Royal Military Academy
In coordination with the European Commission's RPAS Steering Group, European Commission DG Enterprise & Industry, DG Mobility & Transport, European Aviation Safety Agency, Eurocontrol, JARUS, SESAR & ECAC
- RPAS Workshop
ATC Global 2013, Amsterdam, The Netherlands (Mar. '13)
Workshop designated «Integrating RPAS into Civil Airspace» organised on request of the event organisers, with the participation of CAA-NL, EASA, EuroSDR, EuroUSC, JARUS, Netherlands Ministry of Infrastructure and the Environment.
- RPAS 2013
Brussels, Belgium (June '13)
15th Annual Edition - Regulatory, Policy & Innovation Forum
In partnership with the Belgian Royal Military Academy
In coordination with ICAO, the European Commission's RPAS Steering Group, European Commission DG Enterprise & Industry, DG Mobility & Transport, European Aviation Safety Agency, Eurocontrol, JARUS, SESAR & EUROCAE WG93
- UAS China 2013
Beijing, China (Sept. '13)
2nd International Conference
In partnership with: Aviation Industry Corporation of China (AVIC); Commercial Aircraft Corporation of China Ltd.; China Aviation Supplies Holding Company; CCPIT Sub-Council of Aviation Industries; China Aviation Publishing & Media Co.,Ltd.; China Promotion Ltd, Hong Kong
Supported by: Civil Aviation Administration of China (CAAC); Airport Department of General Administration of CAAC; ATM Management Bureau of CAAC; Beijing Capital International Airport; Airport Construction Corp. of CAAC; The People's Government of Beijing Municipality; China PLA Air Force, Equipment Department; China PLA Navy, Equipment Department.
- UVS-Tech 2013
Moscow, Russian Federation (Oct. '13)
6th Annual Conference
In partnership with Expo-Ecos, Russian Fed. (by delegation of the Russian Min. of Transport)
In coordination with Interpolitex & Central Aerohydrodynamics Institute (TsAGI)
- RPAS Latin America
San José dos Campos, Brazil (Oct. '13)
2nd Biennial Conference & Exhibition
In partnership with DCA-BR, Brazil
In coordination with ICAO Regional Office, Lima, Peru, and ANAC & DECEA, Brazil.
- RPAS CivOps 2013
Brussels, Belgium (Dec. '13)
2nd Annual European RPAS Operators' & Operations Forum
In partnership with the Belgian Royal Military Academy
In coordination with the European Commission's RPAS Steering Group, European

- Commission DG Enterprise & Industry, DG Mobility & Transport, European Aviation Safety Agency, Eurocontrol, JARUS, SESAR, ECAC & EUROCAE WG93.

• RPAS 2014
Brussels, Belgium (June '13)
16th Annual Edition - Regulatory, Policy & Innovation Forum
In partnership with the Belgian Royal Military Academy
In coordination with ICAO, the European Commission's RPAS Steering Group, European Commission DG Enterprise & Industry, DG Mobility & Transport, European Aviation Safety Agency, Eurocontrol, JARUS, SESAR & EUROCAE WG93.
- UAS China 2014
Beijing, China (Sept. '14)
3rd International Conference
In partnership with: Aviation Industry Corporation of China (AVIC); Commercial Aircraft Corporation of China Ltd.; China Aviation Supplies Holding Company; CCPIT Sub-Council of Aviation Industries; China Aviation Publishing & Media Co.,Ltd.; China Promotion Ltd, Hong Kong
Supported by: Civil Aviation Administration of China (CAAC); Airport Department of General Administration of CAAC; ATM Management Bureau of CAAC; Beijing Capital International Airport; Airport Construction Corp. of CAAC; The People's Government of Beijing Municipality; China PLA Air Force, Equipment Department; China PLA Navy, Equipment Department.
- ATC Global 2014
Beijing, China (Sept. '14)
The RPAS session of the main conference.
1st International exhibition & conference.
In partnership with UBM, China.
- RPAS CivOps 2014
Brussels, Belgium (Dec. '14)
3rd Annual European RPAS Operators' & Operations Forum
In partnership with the Belgian Royal Military Academy,
In coordination with the European Commission's RPAS Steering Group, European Commission DG Enterprise & Industry, DG Mobility & Transport, EASA, Eurocontrol, JARUS, SESAR, ECAC & EUROCAE WG93.
- RPAS 2015
Brussels, Belgium (June '15)
17th Annual Edition - Regulatory, Policy & Innovation Forum
In partnership with the Belgian Royal Military Academy.
In coordination with the European Commission's RPAS Steering Group, European Commission DG Enterprise & Industry, DG Mobility & Transport, EASA, Eurocontrol, JARUS, SESAR.
- UAS Development & Innovation Forum
Beijing, China (Sept. '15)
In partnership with China Aviation Promotion.
- RPAS CivOps 2015
Brussels, Belgium (Jan. '16)
4th Annual European RPAS Operators' & Operations Forum
In partnership with the Belgian Royal Military Academy.
In coordination with the European Commission, EASA, Eurocontrol, JARUS, SESAR.
- RPAS 2016
Brussels, Belgium (June '16)
18th Annual Edition - Regulatory, Policy & Innovation Forum
In partnership with the Belgian Royal Military Academy.
