CONFERENCE OBJECTIVES

In the context of the implementation of the upcoming EU drone regulation and the integration of U-Space and ATM:

- Create awareness of national approaches on relevant drone-related matters and stakeholder initiatives.
- Promote coordination & cooperation between civil drone communities.
- Address topics of common interest that are to be dealt with by industry (on a national, European & international level).

CONFERENCE REGISTRATION

Registrations can be made by completing the online registration form, or the conference registration form in PDF and faxing or emailing it to Blyenburgh & Co.

NOTE: On-site registration at the venue will NOT be possible.

REGISTRATION & PAYMENT DEADLINE

SPONSORSHIP OPPORTUNITIES

Sponsorship of the RPAS 2019 conference permits to be directly identified with this technically informative international conference. The event is organized for the international RPAS community, in response to the wish expressed by UVS International members for an event where current & future commercial and governmental civil RPAS operators, RPAS manufacturers, RPAS operators, pilot training companies, R&D organisations, insurers, academia, as well as current & potential flight service customers can interface with each other, as well as with regulatory authorities and traditional aerial work suppliers.

Within the framework of UVS International’s Global Access Initiative, and organized in coordination with the European Parliament, European Commission (EC), European Aviation Safety Agency (EASA), European Space Agency (ESA), EUROCONTROL, European Civil Aviation Conference (ECAC), standards organisations, JARUS, SESAR JU, various national CAAs, EC-financed consortia, the U-Space Demonstrator Network, as well as with the members of the International RPAS Coordination Council (national drone associations), this is Europe’s only conference dedicated to civil RPAS policy & regulation implementation & UTM/U-Space integration matters.
